

Placement Policy of MGI Engineering Colleges
DATTA MEGHE INSTITUTE OF ENGINEERING TECHNOLOGY & RESEARCH
Department of Training & Placement

All reputed industries and organizations as well our college have been incurring considerable expenditure on the placement activity of Final Year students. Therefore, a student not joining the industry or organization after being finally selected reflects adversely on the Institute and, as a result, industry or organizations tend to discontinue their visit to college for placement. This jeopardizes career opportunities for future generations of our students. Students should, therefore, consider appearing at only such campus recruitment drive where they are willing to take up the job as soon as the selection is informed to the College. Appearing at the campus recruitment drive as a matter of fun or practice should be avoided. Those who have firmly decided to take admission in PG courses or any other career field of his/her choice should refrain from appearing campus recruitment drive held at college level or any other institute as a part of pooled campus recruitment drive. Placement is a facility provided by the college & cannot be claimed as the right of any individual student.

Objectives:

- The Placement Cell endeavours to become a link between the job seekers [i.e. students] and job providers [i.e. companies/corporate] by building up their capacity and networking with Industries.
- Building a strong network among the corporate & institute for placements.
- Become the preferred choice of Employers with reference to Campus Recruitments.
- Provide equal employment opportunities for all the students.
- To ensure sustainable employment for all our students.
